

# DROUANT

Between memory and modernity

Unique atmosphere, classic cuisine revisited

At Drouant, temple of French literature (Goncourt and Renaudot awards), you will find the view over the peaceful Place Gaillon, the spectacular Ruhlmann staircase, the famous private rooms and the warm atmosphere that have made the establishment such a success since 1880.

The cuisine, created by the talented Chef Romain Val Thienen, showcases the Maison's classics with a modern twist!
